

SPAC Presents The 2020 Point of View Challenge!

The Point of View Challenge is a yearly event for the members of the Saanich Peninsula Arts And Crafts Society (SPAC). Each year, members of the Sidney Shutterbugs Camera Club are invited to submit a collection of ten of their best images.

This year's photograph (shown at left) was taken in Avignon, France, by Shutterbugs member **Anne Teichroew**, and is titled, "Umbrellas in the Sky".

To contact the artists about any of these artworks, email info@spacsociety.com

SPAC members vote for their favourite at the November meeting, and are then encouraged to create artworks in any medium, from painting to drawing, pottery to fabric, wood to paper, using the chosen photograph as a jumping-off point.

Traditionally, the artworks are displayed at the Winspear Centre in April, culminating with our Annual Spring Show. This year, we are bringing the show to you!

And now,
On with the Show!
