

# The Annual Point of View Challenge!

Three SPAC volunteers, headed by team leader **Lois Brown**, set up the Point of View Show at the Mary Winspear on April 3rd. **Melinda Neal** and **Kathy Demchuk** did the display work, **Heather Maciak** photographed the pieces, and **Lois** was the behind-the-scenes coordinator, art card creator and generally, the person we could count on for all the details. Lois invited participants to drop off their artworks at her home, and only a few members didn't take her up on the offer. In all, we displayed 58 pieces of art, inspired by the photograph taken by Sidney Shutterbugs member **Frank Davies**. His winning photo, "Chick a Dee-dee-dee", is shown at left. Be sure to visit the Winspear to see the display in person!
